Verbal report from Steve Coram, nothing to add apart from Wings awarded

*“Move to accept CFI Report”*

Mover: S Coram    Seconded: B Russell    Result: **Carried**

## **CONTEST Secretary Report**

*AWA Events Calendar.* Please submit events for inclusion in the AWA website calendar at earliest.  
*Upcoming:* SWARMS Scale Flyin 29<sup>th</sup> March, April 6<sup>th</sup> IMAC Whitfords.

With the completion of the 2024 competition year, all the results are in. The year proved to be trying for organisers and competitors alike. The weather conditions were again against us with many cancellations, postponements and sickness took its toll also. On the brighter side there were a total of thirty one competitors registered for the seven State events, an improvement over the previous year with the same number of events.

Control line and Gliding were foremost, however Old Timer and Free Flight held competitions but were unable to qualify its competitions due to the lack of competitors. Hopefully 2025 will be a better year for all.

### **Dorothy Buckley Trophy - 2024**

Runner-up for 2024 was Trevor Letchford (7.5pts) with Richard Bellis (16.5pts) taking the Dorothy Buckley Trophy.

### **Dorothy Buckley Trophy**

The Dorothy Buckley Trophy is awarded to a participant flying in AWA sanctioned State competitions achieving the most points allocated in the calendar year. The events held consist of control line, free flight, gliding and old timers (SAM270). As the events are completed, Contest Directors provide a report to the AWA Contest Secretary. For those competing, points are allocated towards the Trophy decided at the end of the calendar year, 7 points (1st), 5 points (2nd), 3 points (3rd) and all other competitors earn 1 point each. Team events points are divided.

*“Move to accept Contest Secretary Report”*

Mover: Kevin Hooper      Seconded: B Miller Result: **Carried**

## **General Business**

### **A. Control Line**, World Championships hosted by Australia. 2026

Update per email:

“The MAAA delegate to CIAM has been tasked with submitting the bdi document. I need to refine the budget to meet the MAAA requirements for potentially a \$20k contribution. I will resume work on the budget and presentation when I get back mid February. The CIAM meeting is in Late March, when the Championship will be awarded. At this point in time, no other countries look like bidding.” *Trevor Letchford.*

### **B: Grant Applications**

#### I) MADMAC \$2816 for new field development.

*“Move to award MADMAC the grant monies as requested in their application (2025\_01\_30\_AWAGrantApplication\_FINAL.pdf)”*

Mover: P Bryner      Seconded: B Miller Result: **Carried**

#### II) Float plane Initiative

*“Move that AWA establish a working party headed by Lee Rowley (WARMS) with Graeme Nicholls (WAEF) to investigate suitable sites for AWA aeromodellers to conduct float-plane activities aiming to report back to AWA Council by the end of the financial year and a progress report at the April meeting.*

Moved: J Gould      Seconded: Kevin Hooper Result: **Carried**

#### III) Poster with QR Code for clubs

Bruce Russel presented the draft outline of a suitable poster to be used at community events which has a QR code linked to the AWA Webpage. Clubs could add their own.

Meeting Closed 8.30pm
