Contest Secretary Report: Contest Secretary Report 14 August 2023

Again this year is proving to have some challenges weather wise, cold and wet conditions are forecast, contests are cancelled or put on hold, only to find the day turns out fine. Contest organisers need a crystal ball as do the weather forecasters. Once a decision is made to cancel usually one day out it is too late to change on the day. The only State designated contest thus far has been the Vintage Stunt held 17 June at Lumin Christie. The results are as follows:

Control Line Vintage Stunt

Seven participated in this hotly contested event. 1st Peter White, 2nd Craig Boughey, 3rd Greg Kowalski. The others contestants Colin Crowley, Trevor Letchford, Russel Christensen and Greg McLure all of which should be commended for keeping contests alive.

Dorothy Buckley Trophy

The Dorothy Buckley Trophy is awarded to a participant flying in AWA sanctioned State competitions achieving the most points allocated in the calendar year. The events held consist of control line, free flight, gliding, old timers (SAM270) and multi-rotor. As the events are completed, Contest Directors provide a report to the AWA Contest Secretary. For those competing, points are allocated towards the Trophy decided at the end of the calendar year, 7 points (1st), 5 points (2nd), 3 points (3rd) and all other competitors earn 1 point each. Team events points are divided.
